#### Message from the Author

Since I couldn't think of anything to comment on, I may miss the deadline... These past few years I've traveled to some extent. A little after releasing this book, I was in Hiroshima. The place I want to go most right now is Katsushika. I also want to go to Katsushika and Tokyo. So I think I must try to work hard to keep the deadline. By the way, the place I want to go overseas the most is Canada.

#### ★Introduction

A daughter of a tengu who lives in Mt. Ryukou, Ashime lives with her mother in the human world and studies at a junior high school. OF FIELD  
TRIP

WAS

BUT REGARDING

EVEN SLEEPING OVER  
AT A FRIEND'S HOUSE,  
I JUST COULDN'T  
SEEM TO DO IT...

I'M  
STILL  
LIKE THAT  
NOW

I'M ALWAYS  
WORRIED  
"WHAT IF MY  
FAMILY JUST  
DISAPPEARS  
WHILE I'M  
SOME?" I  
THINK

But? What's that got to do with anything?"

"Hm, maybe I'll go on the ferris wheel too!"

"If you insist on being a stubborn, then we'll just leave you here and go home by ourselves!"

"Everyone's already very tired, let's go home!"

"I want to ride the ferris wheel!"

"That's awesome!"

So, that's why, even now she's probably worried that she may lose the people around her without warning.

Scene

When she was really young, she lost their mom in a car accident.

Asael and I  
have never  
changed.

Over
